There seems no necessity for the Govt. to extend its help in this direction & the Bangalore City Municipal Council can appeal to Sanction grant in aid to such Municipalities as deserve help.

Under Sec 27 of the L.S. Myth, the Govt. may extend their help to outside areas with the sanction of Govt. This does not seem to be such a Case.

I most humbly beg to bring the following for your kind consideration and favourable orders.

I have been a Hukeem in this city and the Unani Dispensary run by me is situated in the Jali Mohalla of Bangalore City.Although the Dispensary is of such a long standing and has been of so much use to the public,yet it has not been enccuraged by the District Board with its help which it so richly deserves. It is needless for me to dilate over the unfavourable seasonal and economical conditions of the time for they are so perfectly known to every one. Sufficient it is if you kindly ponder over for a moment as to how unsurmountably hard it is to run efficiently a Unani dispensary which counts for its patients on the average a number of 40 daily. How impossible it is to command means for the purchase of valuable and first rate ingredients. A man of slender means like myself can not keep abreast with the time if the District Board be not sympathetic enough to grant the aid asked for.

If evidence is wanted of the pains I have been taking in treating my patients and the popularity that my treatment has achieved, a reference to the periodical returns I have been sending to the Health Office from time to time will satisfy the Board on that account. To add to this, I enclose herein Mahazars received from my clients at Doddballapur,Kengeri ,Bidadi ,and Manchenbele for transmission to you; these Mahazars will speak to themselves

It has been the declared policy of Government to encourage Unani system of medicine and give financial aid to all the deserving dispensaries in the State;and obviously enough in pursuance this Government Order grants are being distributed by the District Boards in all the important Towns and cities.

In conclusion I humbly pray that a grant-in-aid of at least Rs.30 may kindly be sanctioned for the up-keep of my dispensary.

For which act of kindness, I shall every remain grateful to you and to the Board as a whole.
